

The Salmon Song

A few little salmon, swimming towards their home,
Up stream, up stream, against the flow.

*Let's be salmon, swimming up the stream (3x)
Then Salmon won't be alone.

Leviathan's crew came to tease and poke
Pushing, pulling, the Salmon folk

Chorus

Some little fishys saw the HEART of God,
Loving, forgiving, the whole mean squad.

Chorus

Now LOTS of little Salmon swimming towards their home
Loving Jesus as they go (3x)
